THE INTERVENTION ROUTES

The lecturer: Maksović Radoljub

Ватрогасни савез Србије

- At the end of 2010 in Belgrade **SANITATION POLICE** was established.
- Among other authorisations and tasks,
- „Zakon o Komunalnoj policiji“
- (sl. glasnik Republike Srbije broj 21/2009), presupposes **Disaster Relief and Emergency Interventions Function**
- **SANITATION POLICE** implements the measures needed to maintain the safety of the environment from the natural and other disasters, fire safety and other tasks and responsibilities concerning safety. When these measures are not implemented in time by other responsible urban authorities and authorised organisations, the sanitation police keeps them informed.

Ватрогасни савез Србије

This service is a possible user of the intervention routes

The implement urgent measures concerning environment safety, people's and belongings' protection from natural and other disasters, fire protection and other protection urban authorities are responsible for.

Cooperates when performing rescue tasks and offers help to authorities, legal entities and natural persons to remove the consequences of natural and other disasters.

Ватрогасни савез Србије

- ❑ Local self-authorities (municipalities and esta) lawfully take care of areas mainly via executive orders published in the Official Journal (e.g. Belgrade)...

- ❑ **Executive orders** are legal acts, subordinate to laws and need to be in accordance with the legislation of the area that is regulated.

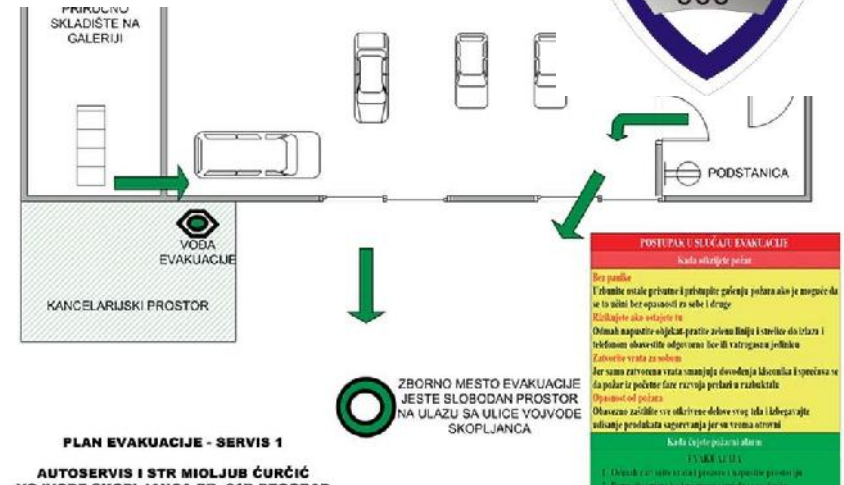

Ватрогасни савез Србије

- **Odluka o Komunalnoj policiji**
(sl.list grada Beograd broj 23/2013)
6. in 7. člen;
